**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Master. Naitik Parode, 6.5 years old male, (UHID NO KH1000494953) is under my treatment at Kokilaben Dhirubhai Ambani Hospital for 'Osteogenesis Imperfecta' with severe bowing deformities of Right Femur & shortening of Left femur rush rod. Patient will require corrective osteotomy surgery with rush rod fixation for Right femurs & exchanged rush rod in Left femur.

The estimated cost of surgery including implant and other hospital charges will be roughly rupees 3 lakhs for each side.

Sincerely,

**Dr. Vikas Rajeshwarrao Basa**
